### **ELEVATE THE ARTS PARTNERSHIPS**

Elevate the Arts is an outdoor community arts festival and fundraiser for Arts Alive August 11th from 12-4pm. This will be our 3rd year putting on the event - it's a fundraiser for our 501(c)3 nonprofit organization... sort of!

See, we're throwing an arts-filled celebratory party for the community (for free!) and we are partnering with businesses, sponsors, and vendors to collect donations for the great work that Arts Alive does to support artists and arts nonprofits in our community. We'll also have a fantastic raffle.

This year the event will be hosted in downtown Keene and will include lawn games for kids, live music, food trucks and bake sales, an artist market, the raffle, and arts activities so everyone can get their creative juices flowing!

**What does partnership mean?** We know committing to a full sponsorship isn't right for everyone, but we also know that arts events DRIVE SPENDING IN DOWNTOWN! And we're hoping you'll consider making a donation to Arts Alive based on a percentage of the sales that you do during our festival day. 5%? 10%? 15%? Whatever you're able to share to support art and artists in our community.

We'll make sure to give you a shoutout on social media during the festival and may even get our MC to squeeze in a thank you during the festival!
